<p><u>“Purely simple 1” bench bolts (imperial).</u> Replacement for the hand wheels. Single benches have 4 spaces in seat and 2 in back. (6 for full bench). Double benches have 4 spaces in the back. You need an spanner (see below) or socket set to tighten, also you need to purchase a locking washer (see below). Cost per item.</p>	£1.07	
<p><u>“Purely simple 2”, “Edge” bench bolts (metric).</u> Replacement of hand wheels. Single benches have 4 spaces in seat and 2 in back. (6 for full bench). Double benches have 4 spaces in the back. Need an spanner (see below) or socket set to tighten, also need to purchase a locking washer (see below). Cost per item.</p>	£0.27	
<p><u>Lim bench seat fixings</u> Replacement of hand wheels. 4 spaces in seat. Need a screwdriver (see below) .Will also need a shake proof washer (see below)</p>	£0.20	
<p><u>Lim nuts for bench backs</u> Please use with shake proof washers (see below). You will also need a spanner or socket to tighten. Cost per item</p>	£0.10	
<p><u>Shake proof washers bolts for benches</u> To be used in combination with nuts and bolts to help secure. Cost per item.</p>	£0.08	
<p><u>Counter sunk bolts for toilet door and door panels</u></p>	£0.25	
<p><u>Spanner (adjustable)</u></p>	£12.50	
<p><u>Screw driver (pozi-drive)</u></p>	£9.00	
<p><u>Standard BPF (40mm) replacement feet.</u> We would recommended instructing ourselves to fit these for you. They are much more durable and effective compared to the rubber bungs and loose fitting plastic ones. We can drill out the old fixings and replace the new fixings £48 plus vat labour and materials for fitting. These are suitable for all bench seating apart from the original lim bench seating which require larger ones below.</p>	£7.25	
<p><u>Large BPF (50mm) replacement feet.</u> The same process as above but the larger feet fit the lim original seating. Professional fitting recommended £65 plus vat per bench seat (labour & materials)</p>	£9.25
